Events

Sunday 4th November

Undeterred by the drizzle a small band of cyclists assembled for the ride-out to Blackwell cyclocross and Sonia's cake which had been entrusted into Mike's hands. The C ride took a 16 mile route and the rest, a 33 mile route passing through Wychbold and Barnt Green before arriving at our destination and rendezvous with the club at Blackwell Court to watch the Cyclocross Event. Having consumed plenty of cake we returned to Redditch.

Thank you to all club members who made Rob & Matt welcome on their first ride out with us. Thanks also to Sonia for making all the cakes.

Sunday 11th November - Remembrance Sunday

We met as the rain clouds were just clearing, Peter took the lead with the C ride out to Alvechurch through Brockhill over Cobley Hill, then turned to Alvechurch where they had coffee and enjoyed the Armistice commemoration before returning to Redditch over Scarfield Hill and Tardibigge. The rest of us also went out over Cobley Hill then on to Rowney Green & Hopwood before heading through Barnt Green turning up Cherry Tree Hill & Twatling Road which led to the top of the Lickey Hills and a well earned coffee stop perfectly timed for 11am and the 2 minute silence to be observed. The return ride took us through Burcot and Finstall.

Thank you
